Virtual Effective Hiring Manager Conference Datasheet

Who: Managers who are ready to hire or who will hire in the future. Anyone who is in a position to be part of a hiring process.

Why: Interviewing is the most important strategic behavior managers engage in. It's often said that as managers we hire our own problems. Many of the challenges we face can be prevented at the time we hire. And it's probably one of the managerial behaviors we do the least well. We can teach you how to interview better and hire better which makes life as a manager, better!

How: Delivered virtually using Zoom. Two sessions, 3.5 hours each, over a period of 2 days.

Benefits: You will learn and practice the basics of how to be an effective interviewer. How to structure your interviews. How to create questions. How to start the interview. How to determine what questions to ask and how to ask those questions. How to listen to the answers. How to take notes. How to probe. How to capture results. We guarantee your next interview will be the best you've ever done!
